Student Information

Name	Address	City, State and Zip

Contact Information

Contact Type	Name	Home Phone	Mobile Phones	Pagers	Work Phones

Please note: Since students know about this absence in advance of the date, they are responsible for obtaining all assignments for the classes they will miss. All work is to be turned in on the next school day to receive credit.

My son/daughter has my permission to participate in this field trip to: _____. I understand that all rules and regulations governing student conduct remain in effect while my child is on the field trip and that my child must be dressed properly and protected appropriately for the environmental conditions. I understand that if my child is in possession of/or under the influence of tobacco, drugs, or alcohol, permission is granted to the supervising adult to take all the necessary actions should an emergency arise. In case of accident or incident requiring medical attention, if a parent/guardian or any of the people listed above cannot be reached, I authorize the school to take emergency actions deemed necessary, including the transportation of the student to a hospital, medical center or physician for treatment. I understand that if my student is unable to attend a field trip that has been paid for in advance, there is no guarantee of a full refund.

- My child's inhaler, EpiPen, or diabetic supplies are located in the school health office. Parents are asked to contact the school nurse to verify that the medication will be given to the appropriate teacher prior to the field trip.
- My child self carries an emergency medication (inhaler, EpiPen, or diabetic supplies). A medical authorization form is on file in the school health office and it is my responsibility to be sure that my child has these supplies with him/her for the field trip.
